KINDERGARTEN GRADUATION DAY (2022-23)

“It's graduation day! Hooray! I've learned so much, And come a long way.”

“GRADUATION is a time to celebrate New beginnings and say goodbye to everything that has given you a reason to smile. It is warm memories of the past and big dreams for the future”. We celebrated "KINDERGARTEN GRADUATION DAY (2022-23)" with great fervour and gaiety to applaud the young enthusiastic learners of Sr.KG class for their commendable performance in the academic session (2022-23). The most important part of the day was the felicitation of young graduates wherein the delighted tiny tots of kindergarten dressed in Graduation robes and capes walked on the stage and thanked their teachers for their kind guidance and support.

BAISAKHI CELEBRATION

“ਕਣਕਾਂ ਦੀ
ਮੁੱਕ ਗਈ
ਰਾਖੀ,
ਓ ਜੱਟਾਂ
ਆਈ
ਵਿਸਾਖੀ”

The students were acquainted with the significance of the above lines and the harvest festival of Punjab - 'Baisakhi' through a field trip. Children visited nearby fields and got first hand experience of touching golden wheat stalks and sitting on a tractor. They enjoyed the visit and were excited about collecting grains from wheat stalks.

“The future belongs to those who believe in the beauty of their dreams.”

Shining Star of GPGS

Sahil Sofat of XII Arts Adorable not only brought laurels to school, but also to the nation in the Asian Powerlifting Championship - 2023 held at Kerala. He created a new Asian record for the country as well as won gold and bronze medals in the Asian Powerlifting Championship. We applaud him for his efforts and hard work.

Another Feather In The Cap

Sahil got Gold medal in National powerlifting championship 2023 held at Courtallam (Tamil Nadu) He got selected for world championship creating new National record of 275kg squat.

RUN FOR THE FUN

The Cross Country Race

“Like the marathon, life can sometimes be difficult, challenging and presenting obstacles, however, if you believe in your dreams and never ever give up, things will turn out for the best.”

“We have had heat, rain, lightning and mud but finally ended with good sunlight and fun”. It turned out to be a perfect day for an adventurous Cross Country, with enough of a breeze to make the run pleasant. Sports require great stamina and strength, passion and dedication and Gpsions got that all from their mentors. The real purpose of running was not to run a race but to test the endurance of human heart. Young Gpsions with a purpose and passion in their heart participated in Cross Country Run. "It always seems impossible until it's done."

MOTHER'S DAY Celebrations

चलती फिरती आँखों से अजाँ देखी है,
मैंने जन्नत तो नहीं देखी, माँ देखी है।

Mother's Day is a special occasion celebrated all over the world to honor and appreciate the contributions and sacrifices made by mothers for their children. It is a day to express love, gratitude and respect for the person who has played an important role in shaping our lives. It is a special day for all children and mothers as it celebrates the bond of love and affection that is ever lasting. Keeping this bonding emotion in mind, We celebrated the unconditional love and commitment of Mothers. They are truly an inspiration and deserve to be respected for the unfathomable, invaluable love and affection.

Here are some glimpses of the event...

Learning with fun

Through a diverse range of engaging activities, our young learners were given the opportunity to develop crucial skills such as motor skills, social skills and coordination. Here are glimpses of few of the activities:

Free play is to improve the cognitive, physical, social and emotional well-being of children.

Scribbling is a visual way for the children to communicate and interact and to build eye- hand coordination.

Recognition of body parts is an activity to identify body parts. It is important for children as it allows them to start developing a sense of body awareness.

INTERNATIONAL LABOUR DAY

*"Labour is the ladder through which human dignity
and
creative excellence are expressed"*

To commemorate labour day and to thank the selfless service of the support staff who work with utmost dedication to ensure hygiene and security, Gpsonions organised a special assembly on labour day with full zeal and aplomb. As a gesture of gratitude, students also presented gifts to the school's support staff, recognizing their priceless contributions to the smooth functioning of the school. The main objective of the celebration was to teach students the value of dignity of labour and the significance of respecting everyone for their contribution to the progress of the country. Achieving our goal requires support from those around us, as we can do anything, but not everything alone.

Gpsonions proved their prowess by achieving marvellous results in Board examination. They pushed their boundaries to achieve their goals and made us feel proud. They have proved that Coopetition (cooperation + competition) is the mantra to achieve success.

Congratulations to all the Students and Parents !

“Leadership is the capacity to translate vision into reality”.

Investiture Ceremony 2023-24

The Investiture Ceremony is one of the momentous occasions when the school entrusts hope, faith and the mantle of responsibility to the newly appointed school cabinet. Ours is a school where the Student Council plays an important role of voicing children's concerns. The Council is often involved in major decisions like framing Code of Conduct for school, collating data on various processes such as selection of subjects, supporting teachers during events and planning of assessment and date sheet. The Investiture Ceremony thus marked the inauguration of the students council so that their leadership qualities could be honed, and they could be trained from the very beginning to shoulder their future responsibilities.

Members of the School Council are:

All the members of the School council took an oath to fulfill their duties and responsibilities. The programme was a grand success.

"Life is cool by the pool."

Swimming allows children to be naturally adventurous and have fun. They like to play & splash in water and when it is combined with friends & music, their joy has no bounds. A pool party was organized for the kids of kindergarten. The kids had a gala time, tapping their little hands and feet, bubbling and splashing water all around. Little angels filled the poolside with their giggles and laughter. Various water toys added flavour to their enjoyment. The motive behind organizing the party was to develop their motor skills, improve their hand-eye co-ordination and develop their motor skills through running, dodging, hopping, and sprinkling. Students were dressed in colorful swimming costumes and were thrilled to be in the pool. It was very difficult to take them out of the pool. Kids enjoyed the party, bubbling with excitement and enthusiasm in their colourful swimsuits, splashing water at their friends.

BAG LESS DAY Happy Day

The Bagless day is an initiative taken by the government of India to reduce pressure on the children and let them explore their hidden talents. It not only provides a platform to encourage students to participate in co-curricular activities but it is also an attempt to provide the children with different ways of learning for better performance. Bagless Day was observed on 29th May, 2023 to retain the freshness in learning. It was a unique and exciting opportunity for students to showcase their creativity and explore new interests. The activities were designed to encourage students to step outside their comfort zones and try new things. The Bagless Day was a huge success & was thoroughly enjoyed by the students. All the students enjoyed themselves immensely and returned home with numerous memories of the day.

SCOUT & GUIDE TRAINING CAMP

“A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens.”

Gobindgarh Public School organised 'Scout & Guide Training Camp' for the students of Grade V to IX from 18th May 2023 to 20th May 2023 to help young students develop physically, intellectually, socially and spiritually. The students were trained by Mr Gaurav Sharma, District Training Commissioner Scout and Guide, Mr Darshan Singh, ASOC and Mr. Onkar Singh, State Organising Commissioner Scout & Guide. The training included Scout Signs, First Aid and Safety Rules, Knot Tying and Tent Experience. The students also learnt different tricks with ropes and most importantly the methods of providing first aid in cases of medical emergency. The students participated in the camp with much zeal and enthusiasm. It was a memorable experience for the children.

The PLANETARIUM Show

Space is an inspirational concept that allows you to dream big. An educational activity was organised for the students of classes I to V wherein a mobile planetarium was set up in school to familiarize students with the concept of space. The students watched the captivating show and witnessed the beauty of celestial bodies, constellations and distant galaxies and explored the mysteries of space. The show offered the students an incredible opportunity to delve into the captivating realm of astronomy and space exploration. The students thoroughly enjoyed the show. It was an enriching experience which inspired the young minds to explore the wonders of the universe and ignited their curiosity about space.

“EXPLORATION is the best form of EDUCATION.”

Refreshing, Enlightening, Adventurous: A Memorable Learning Experience

“The best of learning is to experience it.”

Keeping this philosophy in mind, we organized a remarkable excursion to Nainital and Jim Corbett National Park for the students of classes III to VIII and to Bangalore, Mysore, and Ooty for the students of classes IX to XII. The tour aimed to provide a refreshing, enlightening and adventurous learning experience, and it undoubtedly lived up to its promise! The students learnt social skills, developed leadership qualities and also learnt to handle themselves independently. With an itinerary filled with iconic landmarks, insightful sessions, and exciting activities, the students enjoyed and created lifelong memories. Throughout the excursion, students had the opportunity to visit prominent places at each destination, immersing themselves in the cultural, historical, and natural wonders of these beautiful locations.

SESSIONS & SEMINARS

*“ Look beyond the obvious,
Broaden the perspectives”*

In order to train its Educators to be full-fledged facilitators, Training Sessions and Seminars were organised for teachers. The eminent resource persons emphasized on the need for Educators to understand and embrace the concepts of integrated and multidisciplinary approaches and the need for development of 21st century skills. Various stimulating activities were conducted on Active and Cooperative learning which would further help the teachers to facilitate deep learning, promote interaction and help the students to grapple with the difficult concepts comprehensibly. The main motive for the training sessions was to facilitate unlearning and relearning appropriate pedagogical skills in the exceedingly volatile 21st-century classrooms as well as among the educators. Following were the workshops which fostered the skills among the teachers to organize day-to-day tasks, communication and foster greater collaboration.

**School's out, summer's in!
Summer Camp Bliss:
Unleash, Learn, and Thrive!**

HUNARSHALA

Hunarshala orchestrated a mind-blowing Summer Camp where students embarked on an unforgettable journey of discovery and pure happiness! From unleashing their artistic prowess with paintings and Art and craft to exploring the mesmerizing world of music through soulful singing and electrifying keyboard sessions, the young campers reached new heights of creativity. They delved into the captivating art of calligraphy, beautifully weaving words with brush and ink. But that's not all! Our adventurous campers also donned their chef hats and stepped into the culinary realm, mastering the art of fireless cooking. From whipping up delicious snacks and refreshing drinks to creating delectable salads, their culinary creations were a feast for the senses. Engaging in pulse-racing physical activities and lively fun games, they laughed, learned, and forged lifelong bonds. Speaking along with learning international languages like French was studied to sharpen the communication skills of the children. Moreover, the students from other schools were welcomed to participate in Hunarshala 3.0. Hunarshala was a whirlwind of learning, excitement, and pure bliss. The camp was closed by providing saplings to all the participants. The memories created during these incredible days will be cherished forever!.
