EXPOSURE TRIPS

Touch the sky with Glory
Our learners from grade VIII and IX enjoyed an exciting field trip to the Air Force Museum in Chandigarh to commemorate Air Force Day. They explored Aviation history and witnessed awe-inspiring aircrafts and gained new experience about the world of the Indian Air Force. This experience fueled passion of the students to chase their dreams to explore the unlimited heights.

EXPLORATION CONTINUOUS...

The young learners from classes IV-V enriched their experience in the company of birds at Bird Park, Chandigarh. They got a chance to enjoy their trip by spending time at History and Science Museum also. This trip has left a beautiful imprint on the minds of our curious students.

“Creativity is intelligence having fun” Chandigarh’s Rock Garden is this quote brought to life by its founder Mr. Nek Chand. Our young learners from classes VI-VII relished all the exquisite creations at Rock Garden, Chandigarh . They sought a new inspiration and motivation to reuse and recycle the waste material to create beautiful pieces of art.

FLIGHT TO EXPLORE NEW EXPERIENCES

Dolls are like little rays of sunshine that brighten up any room. Our adorable learners from grades I-III rejoiced with the exploration of Doll Museum, Chandigarh. They were immersed in the fancy world of Doll Museum . Such visits refresh the kids to restart their classroom work with a new fervor.

“The sound of birds stops the noise in my mind.”-Carly Simon

DUSSEHRA CELEBRATION

GPSONIONS immersed in the festival's insights, understanding the power of good prevailing over evil. This festival is to celebrate the victory of good over evil. The young learners were happy to witness the burning of an effigy of Ravana representing the evil. This filled the children with a satisfaction of coming out as future responsible citizens to treasure the cultural heritage of India. Overall, it was all fun and joy to be together in this celebration.

CLASSROOM ACTIVITIES

Table Manners and Etiquettes

"Friends and Good Manners will carry you where money won't go"
Extending the idea to inculcate good manners and etiquettes, our tiny tots participated in the activity of learning good manners. It was all fun and enjoyment to learn life lessons through practice given to every child. We are happy to get positive energy flowing all around our young learners.

Sand Activity

"To see a world in a grain of sand and heaven in a wild flower is like holding an infinity in the palm of your hand"
Sand play activities offer children many opportunities to use and develop their fine motor skills. They come to know gripping the handles of the spade, scooping and pouring sand and water with their hands. Our tiny tots learned to see the difference by settling the fine sand particles with their hands.

Activity for Road Signs

"Road Safety Rules are your best tools."
They are meant to be inculcated in the children from the very beginning of their learning. Our tiny tots were given a chance to learn the traffic signs and to follow traffic rules. They learnt the value of discipline in every field of life.

CLASSROOM ACTIVITIES

Exploring Crop Seeds

Plant activities are a great way to introduce our kindergarten students to the basics of science and plant life cycles.

Our tiny tots were excited to touch and differentiate different season crop seeds. From nature they are curious to see a seed changing into a plant and further growing. It gives them an immense feeling of creativity of Nature and satisfaction to watch life coming to a dormant seed.

Foot Impression Activity

It is our art that has an opportunity to leave a footprint in the sand. Impressions of certain things are ever living. They can fade away with time but get imprinted in the minds for ever. Learning by doing was practiced by the young learners by printing their footprints on a sheet of paper. They had a new learning experience to move forward in life leaving behind the impressions that may give a direction to many people following them.

Learning Wonders of Water Cycle

Water is the elixir of life. It returns like our Karma do.

Learning is always better with the help of practical examples. The young learners were involved in an activity to experience the journey of water from its source and back. They had fun to learn the fact how water evaporates, condenses and precipitates to come back to its origin.

Fun with Numbers

Our tiny tots were made to learn numbers with a fun activity. They enjoyed doing this activity. They learned to recognise numbers very easily. This activity enriched their knowledge and creativity.

HALLOWEEN

“When witches go riding, and black cats are seen, the moon laughs and whispers, ‘tis near Halloween.”

All the students came dressed as ghosts, witches, vampires, bats etc for the Halloween celebration and were ready to go trick-or-treating! The School was embellished for Halloween, with all eerie and scary things. A distinctive spooky corner was created for the children too! Halloween festival was celebrated with much fun and fanfare by our junior scholars. This festival made the young learners experience different cultures and customs. The Halloween Celebration was magical and a blast. The students in different costumes could not be recognised. This celebration was a new start for the first time in the history of Gobindgarh Public School. This experiment proved to be a great success.

PSYCHOMETRIC ASSESSMENT

Unlocking self-discovery!

Group psychometric assessment sessions were conducted which were framed for senior students, exploring diverse facets of their personalities. Individual counselling was conducted to enhance daily life management skills. Our young learners felt inspired and motivated to keep on participating in such sessions. These Psychometric assessments elevate self-awareness and insight of our students.

“BEYOND BOUNDARIES: UNLEASHING STEM POTENTIAL”

STEM, the fusion of Science, Technology, Engineering, and Mathematics, reshapes education by moulding these domains and highlighting tangible applications. The incorporation of STEM at GPS marks a stride in immersive learning, nurturing ingenuity, and sparking inquisitiveness in our Grade IV scholars. Recently, they delved into the intricate tapestry of 'States of Our Country' using our cutting-edge SMART KIT, we present glimpses of their dynamic hands-on odyssey.

"LA FIESTA 2.0 - THE DIWALI EXTRAVAGANZA 2023"

The school fete unfolded as a tapestry of vibrant festivities, seamlessly weaving together creativity, activity, and service (CAS) elements. The event, pulsating with energy, featured an array of stalls showcasing students' artistic endeavors, interactive games promoting physical activity, and a distinct touch of community service.

The CAS activities went beyond the conventional, as students extended warm welcome to visitors from a nearby old age home. The intergenerational connection created a bridge of understanding, fostering compassion and leaving an indelible mark on both students and the elderly guests.

The school fete, thus, transcended the boundaries of a typical celebration, embodying the school's commitment to holistic education. It was a harmonious blend of fun, learning, and a genuine sense of responsibility toward the community. As the vibrant Diwali lights illuminated the event, so did the spirit of camaraderie and service illuminate the ethos of Gobindgarh Public School.

PARENT SPEAKS

Mr Gurpreet Singh

I am delighted to express my heartfelt gratitude for the exceptional guidance and support you have provided to my child.

I appreciate the wonderful work the school has done in nurturing and guiding my child in his academic journey. I have noticed a remarkable improvement in his performance, and it's truly commendable.

Your dedication to providing a conducive learning environment and the efforts invested in shaping young minds are highly commendable.

Your commitment to fostering a positive learning environment and your dedication to each student's success have not gone unnoticed. Thank you for being an inspirational institution and contributing to my child's educational journey.

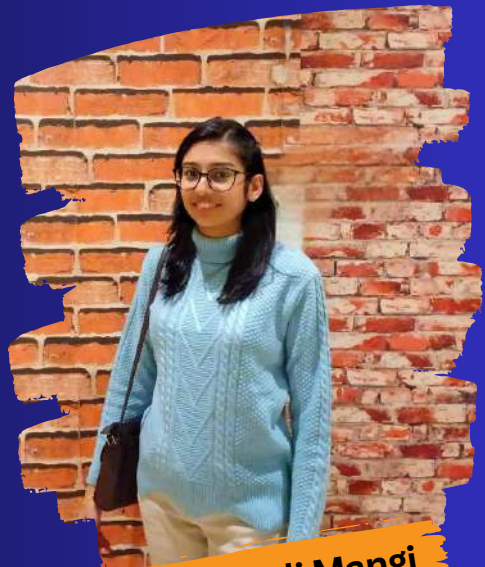

Father of Sawandeep Singh (V Confident)

ALUMNI SPEAKS

First believe in yourself and then believe in your institution

I am immensely grateful to my alma mater where I got the opportunity to have a beautiful and compassionate bond with the teachers. All the efforts of my teachers groomed me to come out as a successful person in life. The impressions of all the learnings helped me to be a useful resource to the society. I owe my achievements to this prestigious institution.

I am proud of our institution for being the best school in the area. It imparts the best education to the students and contributes in the holistic development of children. I wish all the best for the prosperity and future endeavours of my school.
